THI MINH NHAT DINH

has successfully completed the online Professional Certificate

Advanced Project Management: Asana, Jira, Confluence, and AI

Now that you have completed Advanced Project Management: Asana, Jira, Confluence, and AI, you stand out with a unique set of skills and knowledge in modern delivery frameworks. This certificate demonstrates your job readiness and can be shared with your professional network. Throughout this program, you've engaged with instructional videos, assessments, and practical exercises, gaining a deep understanding of advanced project management, including designing automated workflows and cross-tool integrations; performing complex resource and earned-value analysis; and leveraging GenAI for high-impact reporting and stakeholder communication.
